

Rema LLC Boiler Return System and Return Tank Warranty

Rema LLC boiler return systems and return tanks are warranted against defects in materials and workmanship from the date of original purchase.

Warranty Coverage

Stainless Steel Boiler Return Systems and Return Tanks:

Stainless steel boiler return systems and stainless steel return tanks are warranted for a period of two (2) years from the date of original purchase.

Steel Boiler Return Systems and Return Tanks:

Steel boiler return systems and steel return tanks are warranted for a period of one (1) year from the date of original purchase.

Warranty Terms

Rema LLC will replace, free of charge, any part that proves to be defective in material or workmanship within the applicable warranty period.

This warranty does not apply to damage resulting from accident, alteration, improper installation, misuse, abuse, freezing, corrosion caused by system conditions, or normal wear items.

Any defect in a boiler return system or return tank should be brought to the attention of the Rema distributor from whom it was purchased. The distributor will be authorized to arrange for repair or replacement within the terms of this warranty.

If this procedure is impracticable, contact Rema LLC directly.

Rema LLC will not assume any expense or liability for repairs made outside our factory unless prior authorization has been given by Rema LLC.
